A-4. Chumash Land Acknowledgement

“Before we begin, we acknowledge that the lands this University were built upon were founded upon exclusions and erasures of many Indigenous peoples, including those on whose lands it is located, the villages and unceded territories of the Chumash people.”

B. Public Forum

2 minutes per presenter, 3 minutes per Q&A, 5 minutes per discussion.

Laughology (Rajveer) presenting the data that we requested last week. Laughology is requesting \$4,320.00 in funding for comedy shows.

- Laughology “does cool stuff”
- consistent upward trend in newsletter growth
- twice the number of people opening emails than receiving them (opening twice)
- correlation between writing good emails and turnout
- Adding the student/non-student option for when people sign up for the newsletter
- funding for the whole quarter
- will send presentation
- rough estimate: 120–170 people per event
 - used to have 30–70 people
- would like photos of events (for attendance verification)

Discussion:

- Funded them \$2,850 last quarter
- We also asked them to come earlier in the year and ask in one big chunk
- Why can’t they take photos of the audience?
- Photos on their IG look decent

- dodgy question on attendance
 - even at F&B: said they had 80–100 people on average; bumped it up today
 - fund for headliners or media, but not venue

UCSB Medical Reallocation Initiative (Eric Hao) (may or may not be coming) requesting \$2,000.00 for resources to be sent to Lebanon.

IVRPD Art in the Park

- need to come to F&B for exception to lighting
 - using lighting as decoration
 - AS policy says we can't fund decorations
