B. Public Forum

2 minutes per presenter, 3 minutes per Q&A, 5 minutes per discussion.

Medical Reallocation Initiative requesting \$2,000.00 for Addressing Healthcare Issues in Lebanon (presented by Dalwood)

- Wants our funds to fund their fundraisers
- Fundraisers are in support of reallocating medical supplies to different countries (middle east)
- Volleyball fundraiser is only open to UCSB students
- All proceeds will be donated
- On campus fundraisers technically open to anyone walking by
- Publicity - flyers at frats, posted elsewhere
- We can't fund miscellaneous line items or member dues

Discussion

- We have about \$30k left
- Can technically fund them, just depends if we think it's a good use of our time
- This is different from Concert for the Coast, not as IV focused

- We could fund the volleyball fundraiser and emphasize that they need to market to IV
 - \$984

Chabad requesting \$13,697.50 for Mega Shabbat (presented by Ben Konig)

- Came last week for Mega Shabbat
- 500-570 people last year
- 700-800 projecting
- Dozens of people living in IV who have already signed up
- Discussing if lighting is necessary or decoration
- Candlesticks are for religious ritual (huge point of Mega Shabbat)
- Tablecloth to keep the event kosher
- Welcome entryway is decoration
- We need justification for why photobooth is necessary (or it counts as decoration)
- Photographer is outside contractor (they need contract packet as well as W9- they need to contact AS admin)
- Pull up banner is used for advertising before event and decoration at event
- Hiring acapella group for live entertainment- can't use AS money to pay undergraduates
- Shabbat is meant to be the nicest meal of the week- religiously it is important to have an elevated meal/nicer quality things
- Serving spoons might have to come from zero waste committee

Discussion

- Cutting photo booth, pull-up banner only partial (\$200)
